St. Louis Community College at Florissant Valley

In presenting the  
34<sup>rd</sup> Annual Junior High

## Excellence in Mathematics Contest

Saturday, March 17, 2012

9:00 a.m. to 2:00 p.m.

St. Louis Community College at Florissant Valley

The contest will consist of 40 multiple choice questions with different exams for each grade level.

Copies of last year's exams are available on request.

**Please note that we are eliminating the ninth grade from this contest**

There will be two divisions for each grade level – sixth, seventh and eighth grades.

You may bring a maximum of ten students per grade level.

Individual awards will be given to the top ten students from each grade level in each division.

Team awards will be given to the top five teams at each grade level in each division.

A team will consist of the top four scorers from each category.

If you wish to participate, complete the enclosed pre-registration form

and return it by December 15. A detailed registration form will be mailed by January 25.

All fees are payable with that completed form. **Registration will be \$6 per student.** Checks must be made payable to MEGSL. The fee for late registration (those received after February 25) will be

\$25 per school. No registration will be accepted after March 5. If you do not receive your registration form, please contact Brian Bozek at 314-513-4856 or via email at [bbozek@stlcc.edu](mailto:bbozek@stlcc.edu)

Special accommodations are available for persons with disabilities. If you need accommodations, call 513-4856
